Extra-curricular

Competed successfully at recently concluded AIIMS festival (Pulse, 2009).

The week long annual festival at AIIMS, New Delhi ,”PULSE” was held in the second week of September 2009. The festival witnesses a large gathering of medical students from across the country. The students from ACMS also participated in the festival in various events in the festival. The festival proved to be a new learning experience and provided good exposure to the students. The events ranged from sporting events, debates, dumgcharades, quizzes, face painting, rangoli and poster making.

ACMS students performed admirably, bagged many prizes and brought laurels to the institution.

The prize winners from ACMS are:
