GENERAL INFORMATION-BODY DONATION

As per the Delhi Anatomy Act any person can donate his/her body after death to an approved institution for medical education or research including anatomical dissection by a written declaration signed in the presence of a witness during his lifetime or expressed orally during his last illness in the presence of two or more witnesses.

No permission is required from Police/ Coroner provided a certificate is issued by a Registered Medical Practitioner showing cause of death as natural without any ambiguity is handed along with the dead body.

The person who is desirous of donating the body should:

1. Fill in the Will form for body donation and send one copy to the Dept. of Anatomy.
2. It is incumbent on relatives to honour the desire as expressed in the Will form of donation and render a written consent.
3. After death, a certificate each should be obtained from Registered Medical Practitioner and Grampanchayat/Municipality/ Corporation, as early as possible before bringing the body to the department.
4. If notification is given the college will arrange for the transportation from residence. The dead body should be brought to the Department during the day. Please avoid bringing the body during the night hours as it entails administrative difficulties beyond our control.

The Department would receive the body:
