

BLOCK TRAINING PROGRAMME

DEPT OF ENT **Syllabus/Block training programme**

(a) **UG syllabus :- Tentative schedule of theory lectures for VI semester**

(b)

Ser No	Lectures	Remarks
1.	Introduction to ENT	
2.	Anatomy of External ear & Anomalies of Pinna	
Examination of ear		
3.	Anatomy of Middle Ear.	
4.	Anatomy of Tympanic membrane and diseases of EAC and TM	
Pure Tone Audiometry		
5.	Anatomy of inner ear	
6.	Physiology of Hearing	
Impedance Audiometry		
7.	Causes of Deafness	
	Deaf child	
8.	Acute Otitis Media	
9.	Chronic Otitis Media – Mucosal Type	
Medical education		
10.	Chronic Otitis Media – Squamous Type	
11.	Complications of OM – Pathogenesis and extracranial.	

Symposium-Otalgia		
12.	Complications of OM – Intra-cranial	
Symposium-Ear discharge		
13.	Serous Otitis Media	
14.	Otosclerosis	
Symposium-Deafness I		
15.	Facial Nerve	
16.	Causes of SNHL- Noise and Meniere's disease	
Symposium-Deafness II		
17.	Anatomy & Physiology of Pharynx	
18.	Diseases of Oral Cavity	
Examination of the oral cavity and pharynx		
19.	Acute Infections of Pharynx, ulcerative and membranous lesions	
20.	Abscesses in Relation to Pharynx	

Sore throat		
21.	Anatomy of nasopharynx and Adenoids	
22.	Chronic Tonsillitis	
Endoscopy		
23.	Pharyngeal Tumours	
24.	Anatomy and physiology of Larynx	
Tonsillectomy and Adenoidectomy		
25	Pharyngeal tumours 2	
26.	Acute infections of larynx	
27.	Benign lesions of larynx	
28.	Malignant lesions of larynx	
29.	Stridor	
Symposium- Tonsillitis		
30.	Vocal cord paralysis	
31.	Tracheostomy	

(b) **UG syllabus :- Tentative schedule of theory lectures for VII semester**

Symposium- Hoarseness		
01.	Revision- causes of deafness	
02.	Revision- Safe CSOM	
03.	Tympanoplasty	
04.	Revision- Unsafe CSOM	
Revision- complications CSOM		
05.	Surgical management of CSOM	
06.	Revision- Physiology of balance	

07.	Meniere's Disease	
08.	Revision- PTA, Impedence	
09.	Revision- Stridor	
10.	Revision- Tracheostomy	
11.	Revision- Examination counselling	
12.	Anatomy and Physiology of Nose	
Examination of nose and PNS		
13.	Anatomy of PNS	
14.	Diseases of Nasal Septum	
Septoplasty		
15.	Epistaxis, Foreign body	
Nasal endoscopy		
16.	Acute and chronic rhinitis, Allergic Rhinitis, VMR	
Symposium- Nasal obstruction I		
17.	Nasal Granulomata	
Symposium- Nasal obstruction II		
18.	Acute Sinusitis and chronic sinusitis, fungal sinusitis	
19.	Complications of sinusitis	
20.	Nasal Polyposis	
21.	Tumours of Nose & PNS	
22.	JNA	
Symposium- Epistaxis		
23.	Tympanoplasty	
24.	Mastoidectomy
